ADDITIONAL OPPORTUNITIES:

As a result of the 1.8 million dollars we have raised as an organization, the foundation has been able to drive further innovation in research and care while helping train the next generation of leaders in cardiac critical care and cardiovascular surgery. With our 8th Annual Charity Golf Classic coming up on September 7, we would like to offer you the opportunity to donate to this vital cause so that together we can help kids feel as comfortable as they would in their own homes so that a hospital doesn't have to feel like a hospital.

Below are some additional sponsorships that are available for the day.
